Parents's Feedback Summary

The parents' feedback was gathered to evaluate the institute's performance across various aspects crucial for the overall development and success of students. These aspects included the quality of the teaching-learning process, focusing on the methods and effectiveness of education delivery. Discipline within the campus environment was also assessed to understand how well the institute maintains an organized and conducive atmosphere for learning. Interaction with staff, encompassing the approachability and responsiveness of faculty and administration, formed another critical area. Additionally, the range and quality of extracurricular activities were reviewed to determine how well they support students' holistic growth. Finally, the effectiveness of training and placement initiatives was considered to measure how well the institute equips students for their professional journeys.

The feedback was collected based on the following criteria:

- Teaching-learning process
- Discipline
- Interaction with staff
- Extracurricular activities
- Training and placement activities

Parents expressed their appreciation for the institute's teaching-learning process, commending the faculty's dedication, expertise, and ability to engage students effectively. The disciplined environment on campus was highly valued for fostering a focused and structured atmosphere. They also highlighted the positive interactions with staff, noting the approachable and supportive nature of the faculty and administrative personnel. The availability and quality of extracurricular activities were praised for helping students develop skills and interests beyond academics. Lastly, parents were highly satisfied with the training and placement efforts, acknowledging the institute's focus on preparing students for successful careers through well-designed programs and industry-aligned initiatives.

Parents meet report

(A.Y.2023-24, SEM-II)

Date:- 23/03/2024 Day:- Saturday

Time 11.00 am onwards

The parent meeting was called on Sat 23/03/2024 by our department. The aim to arrange this meeting was discussion of Ward's performance, response of students toward placement activities.

The meet was started with Saraswati poojan by faculty, parents. The introductory speech was given by Mr. A.B shinde sir. He explained the main aim to call the meeting, also give the idea about teaching —learning method followed by department, evolution held on it. The different placement actives carry out for T.Y. and B. tech students (especially).

Afterwards the felicitation of the student who placed in different companies was taken. Ms Vrushali Godase, who selected in TCS as System Engg with & 7 LPA package, share her views about the support got from department for her career building. Also Sharvari gaikwad, Komal Patil, Akash Pawaskar these students also share their views.

This was followed by the discussion with Parents. Mr. R.D. Patil, answered the quires asked by parents. Also other faculties responded accordingly wherever needed. The performance report in terms of MID term, Continuous Assessment Marks, Attendance was shown by class teachers. We saw a less response in the training activity carry out by TPO on behalf of Tech Mahindra Under CSR for girls Student was little poor.

Some notable suggestions are as follows

The institute have to take some additional steps to improve entrepreneurship ability among students.

- Change in the college timing as girl student get late in evening in rural areas
- · Recession time and duration.
- Lab availability beyond working hours
- Try to give the placement activities, internship information to parents also.
- Arrange Industrial visit

The meeting was Conclude by vote of thanks expressed by Mr. K.K. Pandyaji. He concluded that, the wards progress is the ultimate goal of Institute, Department and Parents,. Everyone have to work co- ordinately. Our joint efforts, mutual understanding and co-operation may convert into a remarkable success

REPORT OF PARENT'S MEET 2023-24

Date: 28/10/23

Venue: Civil Engineering Department, PVPIT Budhgaon, Sangli

Attendees: Parents, Faculty members, HoD, Students

- Introduction: The parents' meeting for second year, third year and final
 year civil engineering was conducted at the civil engineering department.
 The meeting provided an opportunity to reduce the communication gap
 between student-parents and the college.
- Opening Remarks: The meeting commenced with a warm welcome extended to all parents by Asst. Prof. Y. M. Pudale. The agenda of the meeting was outlined.
 - Agenda of meeting:
- I. Welcome
- 2. Faculty introduction
- 3. Parents' introduction
- 4. Display of academic performance of students by respective class teachers
- 5. Interested parent's speech
- 6. Guidance by H. O. D.
- 7. Vote of Thanks
- 8. Collection of feedback
- Overview of meeting: Y. M. Pudale welcomed all the parents and students
 for the meet. All the faculty members gave their introduction. Parents of
 the students also introduced themselves. Then interested parents expressed
 their thoughts.

The main concern of most of the parents was students not attending lectures and not doing timely submission. Some parents raised few academic issues. Mrs. Y. M. Pudale answered the questions of the parents.

The parents were thankful for arranging the parents' meet. They said that it was useful for them to understand the academic progress of their child. Parents also gave suggestions for the improvement of performance

of students. Arrangement of parents' meeting should be done frequently to bridge the gap between parents and faculty. A whatsapp group of parents and teachers should be created and students' attendance must be updated on this group regularly.

Students also actively participated in the discussion. They suggested

timely maintenance of the laboratories.

4. Conclusion: Dr. V. T. Gaikwad (HoD) concluded the meeting. He said that the department is thankful to parents for attending the meeting. He informed the parents about the Class Assessments, MSE. The students should do timely submission. Students should attend the lectures and do self-study. They should participate in the workshops and online internship programmes arranged by the department. He also informed about the workshops and expert lectures arranged by the department in this academic year. Various field visits, expert lectures are arranged for the overall development of the students. Remedial and Supplementary exams are conducted for failed students. He also enlightened the parents and students about the government job opportunities available for civil engineering students. According to HoD, the parents' feedback is very important, they should come forward and speak. The parents were given feedback forms which were collected at the end of the meeting.

At last Ass. Prof. A. K. Salonkhe thanked the parents for coming for coming to the meeting and giving their valuable suggestions. He also expressed gratitude towards HoD, Dr. V. T. Gaikwad, all the faculty

members and students for attending the meeting.

Overall, the parents' meeting was successful in achieving its agenda outlined.

Respected Sir/Madam,

I am writing to bring to your kind attention that during this semester, I had the privilege of representing our college at the Wrestling Competition, organized by (D.BATU). Furthermore, I am honored to have been selected for the All India University Games, which required significant preparation and participation during academic hours.

Due to my involvement in these prestigious sports events, I was unable to attend some regular classes. I kindly request your consideration in granting attendance for the classes missed during this period. Additionally, I humbly request the awarding of extra internal marks as per the university guidelines, if applicable.

I believe my participation has brought recognition to our college and demonstrates the value of balancing academic and extracurricular pursuits. I look forward to your understanding and approval of my request.

Thanking you,

REPORT ON PARENTS MEET

Date: Saturday, October 28, 2023.

Timing: 10:30 AM to 12:30 PM

First Year Engineering Department has organized Parent-Teacher meeting freshly admitted students in the first semester of academic year 2023-24. Parent-Teacher meeting is conducted for students admitted to all courses on Saturday, October 28, 2023 at 10:30am to 12:30am.

This meeting was an important cause and also a chance for parents to interact with their ward's Class Teachers, Subject Teachers and Mentor and to know about the academic, behavioral and social well-being of their ward and to clarify any related concerns about his/her grades. It was happened a great interaction between the teachers and the parents. Parents were quite happy and excited about the Parent Teacher Meet as they got the chance to know about the overall performance of their ward.

The meeting was convened by Prof. Dr. S. L. Patil and Prof. Dr. Mrs. A. A. Patil, Head of the Department, addressed to all the Parents of First Year wards. All the teaching faculties of department interacted with parents and students. Parents enquired regarding their ward's performance, placement status of final year students and schedule of end semester examination. Overall, it was a fruitful interaction among faculties, parents and students. More than 98 parents have attended the meeting. As this was first Parent Teacher Meet of academic year 2023-24, in discussion with parents they put various queries about subject and academic student difficulties that may their wards were facing at present case.

For those Head of the department Dr. Mrs. A. A. Patil gave satisfactory response that can be addressed at departmental level. Students who had less than 75% attendance were asked to submit an undertaking form signed by them and their parents also. At the end, they were asked to fill up the feedback from online. Those parents who were not able to be present at the time of PTM, the telephonic communication regarding their ward's academic progress and performance has been done. The meeting ended on a very positive note.
