## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 16<sup>th</sup> Day of January, 2021 ("Effective Date")

between

**Padmabhooshan Vasantraodada Patil Institute Of Technology, Sangli** an engineering Institute affiliated to D.BATU Lonere and approved by AICTE, at Budhgaon, Tal. Miraj, Dist. Sangli, Maharashtra, India (hereinafter called "PVPIT" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the FIRST PART.

and **Unico Agro Chemicals and Fertilizers** near Shivaji Mandai, Sangli Maharashtra, 416416 ( hereinafter called "UNICO" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the SECOND PART.

(PVPIT and UNICO are hereinafter individually referred to as "Party" and collectively referred to as "Parties")

### **Terms and Conditions:**

#### **1. Nature of Collaboration:**

1.1 This MoU is for encouraging Industrial & Institutional Interaction between the PVPIT and that of UNICO in order to enhance the quality of the educational experience of the Students and to enable the students to avail technological support.

1.2 This MoU shall be valid for 3 years from the effective date.

1.3 Neither party shall be entitled to claim any fees, compensation or remuneration from the 'other party' for any activity under this MOU.

#### **2. Activities:**

- 2.1 Allow Industry visits for the PVPIT students at UNICO with prior permission.
- 2.2 Students training or assigning of academic projects as per the feasibility and convenience of UNICO. UNICO may plan 'in plant' orientation for faculty with its own terms and conditions.

- 2.3 At convenience of UNICO, visit of technical person / HR person or an expert would be arranged at PVPIT to interact with students/faculties.
- 2.4 Both parties can organize seminars / workshops jointly or undertake projects or part of a project of current interest for mutual benefit.
- 2.5 PVPIT may extend testing / laboratory facilities to UNICO.
- 2.6 PVPIT may run special courses/R&D setup on need based topics to support industry and to generate rapport.
- 2.7 Any other points, ideas for implementation which are not as per the present MoU, will be discussed by the parties and will be incorporated in the agreement, depending on the necessity in future.

### **3. Mutual Obligations:**

- 3.1 Both parties shall take all reasonable steps to ensure the successful implementation of the MoU and shall cooperate with each other in fulfillment of their respective obligations.
- 3.2 Each party shall respect the others intellectual property and shall not use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MoU.
- 3.3 Neither party is authorized to make any representation, contract or commitment on behalf of other party.
- 3.4 Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MoU. Confidential information is not meant to include any information which (a) is publicly available; (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two

bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MoU and that it will only be used by the parties for the benefit of other party.

**3.5 Copyrights and Ownerships:**

- I. All the course material / courseware/ books and such other training materials will remain as sole property of the party which has provided it.
- II. Intellectual Property Rights i.e. copyrights, trademarks, patents etc. of respective parties shall always remain with the party possessing it.

3.6 Each party shall be at liberty to terminate this MoU with a written notice period of 3 months to the other party without any compensation and seeking legal redress.

**Limitation and Warranties:**

- 4.1 Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- 4.2 Each party represents that they have full power and authority to enter into this MoU in general.

- 3.2 This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MoU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- 3.3 Each party shall respect the others intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MoU.
- 3.4 Both the parties are not authorized to make any representation, contract or commitment on behalf of other party without the prior written consent of that party.
- 3.5 Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MoU. Confidential information is not meant to include any information which (a) is publicly available; (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MoU and that it will only be used by the parties for the benefit of other party.
- 3.6 Copyrights and Ownerships:
  - I. All the course material / courseware/ books and such other training materials will remain as sole property of the party which has provided it.
  - II. Intellectual Property Rights i.e. copyrights, trademarks, patents etc. of respective parties shall always remain with the party possessing them.
- 3.7 Each party shall be at liberty to terminate this MoU with a written notice period of 3 months to the other party without any compensation and seeking legal redress.

### 4. Limitation and Warranties:

- 4.1 Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.

- 4.2 Each party represents that they have full power and authority to enter into this MoU in general.
- 4.3 Arbitration: Any and all disputes or differences between PVPIT SANGLI and SAGAR INDUSTRIES arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the parties amicably through consultation only.
