SUMMARY OF IQAC REPORT 2022-23

The foundation of the IQAC has assisted the creation of new Cells like the Research & development Cell to carry out research activity in various field of technology. The IQAC mainly focused to promote faculty and students to do research in the field of agriculture. As a result the number of final year B. Tech projects in the area of agriculture is increased. The IQAC has also emphasized to do Trainings, Add-on Programmes and Certification Programmes etc which resulted into development of student and faculty. The IQAC has designed and implemented the process of maintaining teaching plans, Teachers diaries to continuously monitor and improve Teaching Learning process. The weekly academic monitoring reports are generated and corrective actions are taken wherever necessary by IQAC coordinator. The formative student's feedback is taken to monitor the proper delivery of curriculum based on COs and POs. To enhance and maintain the quality of final year B. Tech projects the research and Review committee is constituted to monitor the progress and quality of final year projects.

QUALITY INITIATIVES OF IQAC:

- Student Induction Programme:
- Faculty development programme:
- Research Development:
- Academic and Administrative Audit:
- Feedback Analysis:
- Infrastructural Facilities:
- AQAR Submission:
- IQAC Meetings:
- National Institutional Ranking Framework (NIRF) :
