Date & Time: Saturday, 10th July, 2021, 02:00 pm to 03:00 pm

WHY TO ATTEND

The field of Quantum Physics and Mechanics have not only helped the development in different fields in science and technology but also contributed towards the improvement of the quality of human life. The core aim of this session is to provide an opportunity for the students to interact with the expert in the various areas of Quantum physics. The joy of attending this session brings with it improvement and incremental growth in your approach to do things, more broadly.

About The Institute:

Padmabhooshan Vasantraodada Patil Institute of Technology, Sangli was established in the year 1983 by great visionary Padmabhooshan Dr. Vasantraodada Patil, initially with five under graduate programs with sole objective of rural development through technical education. The institute is approved by AICTE New Delhi, recognized by DTE Maharashtra and affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere, Raigad. Currently the institute is offering eight programs in U.G. and five programs in P.G. The institute is accredited by NAAC and reputed in the region for its high academic standards, well maintained discipline and excellent infrastructural facilities. The institute is located on Sangli-Tasgaon road, at Budhgaon, which is about 7 kms away from Sangli.

About The Department

The department of Chemical Engineering was established in the year 1983 and offering UG program in Chemical Engineering with intake capacity of 60. The department has well qualified, experienced faculty and is strongly backed by alumni who are successful entrepreneurs, consultants, managers, scientist and engineers working in reputed industries / institutes across India and abroad. The UG program in Chemical Engineering is accredited by NBA and the department has signed MOU with many reputed industries for various activities benefiting students.
