Aim and Goals: Art Spectrum is a well-known cultural club at PVPIT that is dedicated to promoting a vibrant cultural environment on campus. Its primary goal is to provide a platform for students to showcase their talents in various non-technical domains, including music, dance, and arts. The club aims to encourage cultural diversity, creativity, and collaboration among students.

Activities and Events: Art Spectrum organizes a variety of cultural events throughout the academic year, such as:

- **Vasant Karandak:** An annual inter-college cultural festival featuring music competitions (The Voice, Bang-Band), dance competitions (Get on the Rhythm, Twinkling Toes), drama competitions (Street O Natya, Dramebaaz, In the Spotlight), and literary arts.
- **Vasant Utsav:** A spring celebration featuring traditional music, dance performances, and cultural displays.
- **Traditional Day:** Workshops and performances showcasing traditional dance forms from various regions of India.
- **Cultural Celebrations:** Events commemorating festivals and cultural occasions celebrated within the college community.
- **Flashmob:** A group of people who assemble suddenly in a public place, perform an unusual and sometimes seemingly pointless act for a brief time, and then disperse, often for entertainment, satire, or artistic expression.

Art Spectrum is led by a team of dedicated student coordinators who oversee its day-to-day operations and event planning. The club also receives guidance and support from faculty members who serve as advisors. The faculty member involved with Art Spectrum is Dr. Sarjerao Narwade, who serves as the Cultural head. The student head coordinator is Mr. Navnath Dinkar Hattikar.
