To,
The Principal,
P.V.P.I.T. Budhgaon-Degree,
Sangli - 416304.

Subject: Advance for NIRMITI 2024.

Respected Sir,

I, undersigned Mr. Sandesh S Awati, working in Mechanical Engineering department as Assistant Professor. I am also working as Convener of the NIRMITI-2024.

As we know that, as per every year our Institute is organizing NIRMITI-2024 (A National Level Technical Event) on 17th may 2024. To conduct this Technical event, Student team from the every department has been formed. Total 10 departments will be organizing 10 events during the NIRMITI-2024.

For the Oraganisation of NIRMITI-2024. I required Rs. 50,000/- (Fifty Thousand only).

So, I kindly request you please sanction the above mentioned amount.

Thanking You.

Yours faithfully;

Mr. Sandesh Awati

Convener

Submitted For Sanction in 2 Trunk NIRMITI-2024

REPORT

POSTER PRESENTATION COMPETATION NIRMITI 2K24

Organizer: First Year Engineering Department

Title: Poster Presentation Competition in NIRMITI 2K24 (17th May 2024)

Objective:

A poster presentation is a way to communicate your research or your understanding of a topic in a concise and visually engaging format.

- To spread awareness of the significance of scientific applications in the daily life of the people.
- To promote knowledge and critical thinking
- To encourage creativity and innovation
- To provide a learning opportunity

Benefits:

Poster presentation offer increased visibility for student's research. By presenting her work in a visually appealing format, they can attract the attention of fellow researchers and potential collaborators. Another benefit is that it provides an excellent networking opportunity. By preparing and delivering a poster presentation, students can practice how to summarize, organize, and explain his work in a clear and engaging way. Students can also learn how to adapt his style and language to different audiences and situations, and how to handle questions and comments effectively.

Overall Report:

Poster Presentation competition organized by First year engineering department in the National level event NIRMITI 2K24 on 17th May 2024 which organized by P.V.P. Institute of Technology Sangli. This competition were resounding success with enthusiastic participation from students of various colleges. Poster presentation competitions raise awareness of issues and participation programs. Posters provide visual, colourful, simple ways to communicate community issues and events, and are suitable for display in community spaces. It helps to improve your skill,

Communication, your ability to express your technical views. Poster presentations develop your ability to communicate perceptively and concisely an important workplace skill.

The topics for poster presentation were as follows: Climate change facts and impact, water conservation, AI and machine learning, recycling and waste reduction and renewable energy. The purpose behind organizing this competition was to encourage the students to come up with new and innovative ideas and to enhance their thinking skills. Total 42 teams from different colleges participated in the event. The posters were visually appealing informative and highlighted the participant's ability to think critically and present complex ideas in an easily understandable format. The format for posters as well as rules to be followed for presentation was communicated to students well in advance of the competition. Rubrics for evaluation of posters were formed.

The presentation on the posters prepared by students was judged by Prof. Balbhim Namdeo Shinde, Professor, Dept. of Physics, Dr. J. J. Magdum College of engineering Jaysingpur and Mrs. Seema P. Mane, Assistant professor, Dept. of Mechanical engineering, PVP Institute of technology Budhgaon. The **first prize** was secured by **Prafull Birajdar** and **Prajval Mali** from PVPIT College and **second prize** by **Mahek Riyaj Attar** from PVPIT College for the topic of **AI machine learning** and **renewable energy** respectively.

The judges for both competitions were impressed by the participants' enthusiasm, knowledge and creativity. They praised the participants for their excellent teamwork, dedication and hard work in preparing for the competition. The competition provided the participants with a platform to showcase their talents and skills, and also gave them an opportunity to interact and learn from their peers. Overall, 'NIRMITI' 2K2024 was a successful event that provided a platform for students to show their knowledge, creativity and teamwork skills. The competition not only provided an excellent learning opportunity for the participants but also encouraged them to pursue their interests and develop their skills further. This poster presentation competition coordinated by Mr. Anis A. Shaikh and all other faculty members, volunteers and non-teaching staff worked hard to make the event a grand success.
