**Subject:** Reimbursement of e-Yantra symposium Expenses (Travelling and food)

Respected Sir,

I undersigned Mr. Mukund Harugade working as an Assistant Professor in the Department of Mechanical Engineering. I am also President of the IIC and a member of the e-Yantra Laboratory of PVPIT-Budhgaon.

The e-Yantra laboratory has established along with the collaboration of the IIT-Bombay in 2019. On April 5<sup>th</sup> and 6<sup>th</sup> 2023, IIT-Bombay organized e-Yantra Symposium for collaborated colleges. So, regarding this, I and Mr. Ambadas Shinde (Electronics Engg.) attended the symposium. In this symposium, our poster was selected among the best 15 posters.

During this symposium, we have expend some amount on travelling from Sangli to IIT-Bombay and vice-versa also, as some money expends on food. So, details of the expenses are given following table. So, I kindly request you to please sanction the same.

Sr. No.	Particulars	Amount in Rs.
1.	Sangli to Dadar (Railway ticket) _____ Bill No.1	562/- ✓
2.	CSMT, Mumbai to Sangli (Railway ticket) _____ Bill No.2	808/- ✓
3.	Mumbai Local and Best Bus _____ Bill No. 3 to Bill No 11	80/- ✓
4.	Dinner _____ Bill No.12 and Bill No.13	331/- ✓
	<b>Total</b>	<b>1781/-</b>

Enclosed:

1. Invitation of IIT-Bombay
2. All Bills
3. Photos

**IIT Bombay**  
**eYantra**  
Engineering a better tomorrow

Dear Sir/Madam,

Greetings from e-Yantra!

It gives us immense pleasure to share that the e-Yantra Symposium (eYS 2023) is scheduled for **April 5th & 6th, 2023 at IIT Bombay**. The purpose of this event is to inspire faculty and students by showing the exciting activities happening in other e-Yantra labs and to explore how to improve the innovation ecosystem in your own college.

This is the first post-pandemic offline symposium organised by e-Yantra and we are delighted to welcome attendees in-person after three years. The event includes design thinking activities/ workshops, keynote, panel discussion and poster presentations and best-practices from the top 5 e-Yantra labs along with exhibitions of projects developed by e-Yantra Innovation Challenge finalists.

This year our Design partner, "DesignUp" has collaborated with e-Yantra to create a special workshop to sensitise engineers to the importance of Design Thinking. We plan an exciting workshop to give insights to ensure they give customers a wow experience while solving their problems.

A detailed schedule is available on the e-Yantra website - <https://www.e-yantra.org/eys>.

**As your college is an eLSI college, you can also nominate a maximum of four bonafide students/teachers under the "Registered Invitees" category where local hospitality only is provided.**

### Registered Invitees (details):

- **Travel and Accommodation:** Travel and accommodation expenses have to be borne by the attendees/college. e-Yantra project will not reimburse travel and accommodation expenses.
- **Food:** Local hospitality (food only) is provided for the period of the Symposium.
- A maximum of four attendees(student/teacher) can be registered under this category

**Registration for Symposium is on a First Come First Served (FCFS) basis.**

Please click on eYS 2023: Registration to register and confirm your participation for the event.

**There is NO registration fee for participating in the event.**

The registration link will be active from February 27th, 2023 to March 15th, 2023.

### About Symposium:

The goal of e-Yantra is to create "Student Innovators for Local Disruption" around the colleges where we have a presence through e-Yantra labs. This year we have exciting stories to share about startups that have

emerged from e-Yantra Labs. It will be rewarding for you to learn how e-Yantra labs have created and nurtured environments that lead to startup activity. Around active e-Yantra labs, we find superior performance in the challenging e-Yantra Competition, we find better placement packages for graduating students and we find a heightened startup activity amongst students and find empowered faculty. At this symposium, we have the opportunity to share our experiences to learn how to use e-Yantra labs to create the magic of empowerment through increased innovation and an academia-industry connection.

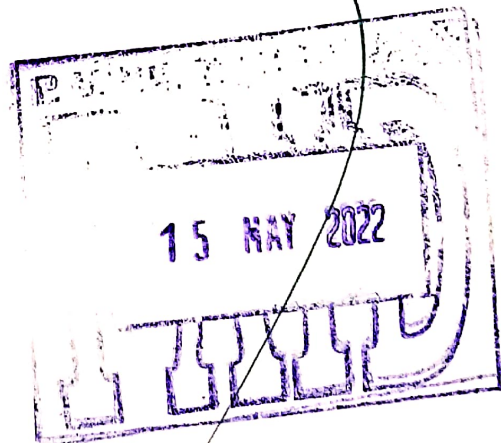

Looking forward to seeing you at IIT Bombay.  
Please feel free to contact us if you need any clarifications:  
Lab: 022-2576-4986; 022-2572-0184 / +91 8939705489  
e-mail: support@e-yantra.org

Regards

e-Yantra Team  
IIT Bombay

e-Yantra is a project sponsored by MoE  
through the National Mission on Education through ICT (NMEICT)
