Imparting effective human rights education to identify and adapt personal and social values for welfare of society is achieved through various courses. At each level of curriculum courses such as Employability Skill Development, Basic Human Rights imbibe values, rights, duties and responsibilities as a citizen in the student. Faculty members mentoring a group of students take efforts to inculcate Engineering Ethics and Human Values, to instill Moral, Social Values and Loyalty. Mentoring also helps students to appreciate the rights of others. They also help students to understand and find an ethical solution in the workplace and society issues which hinders the society at large. This also enables the students to create an awareness on business ethics and human values which also instills moral and social values. The institute takes additional efforts through National Social Service (NSS) and through Student associations to make students sensitive towards Human values, by organizing Blood Donation Camps, teaching rural children, adaption of village, Eye Checkup Camps.
